Charges Not Included in the \$250Cap

Prescriptions - Vaccines

This program is offered only to patients who are not covered by a government health insurance plan and not covered by any private insurance plan with which we participate. Terms and conditions apply.

Prescriptions, vaccines, and outside labs not included in cap.

Flu vaccine is not subject to the additional 20% discount. Flu vaccine is included in the charge for a 'Visit for Standard Dose Flu Shot' and a 'Visit for High-Dose Flu Shot' as listed above under Office Visit Charges. Price applies to patients aged 3 and up presenting for a sports or camp physical. Price includes physical exam, dipstickurinalysis, if required, and completion of form(s). Price does not include other types of physicals; additional services such as additional labs (including titers), x-rays, medications (including vaccines and immunizations), dispensed prescriptions, supplies, and procedures; and follow-up visits. If additional services are required, additional charges will apply.
